At no time shall a vehicle or any mobile equipment be disassembled, repaired or serviced on any Lot, except inside a garage or dwelling.

VIII. **FENCES.**

No fences or other structures may be built or maintained within the front building setback areas as shown on the Plats as recorded and no fences shall be built or maintained in front of the front line of the residential dwelling extended to the side Lot lines. If weather conditions make this requirement impossible to meet, Declarant shall establish a reasonable period of time for compliance.

Notwithstanding the foregoing, the sodding requirements of this provision shall not be effective until such time as Des Moines Water Works shall complete the pump station and any other necessary improvements to allow for irrigation and watering of yards.

XI. **EASEMENTS.**

Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the Plats as recorded. The Owner and/or occupant of each Lot, jointly and severally, shall at the expense of such Owner and/or occupant, maintain, keep, and preserve that portion of the easement within the Lot at all times in good repair and condition and shall neither erect

XIII. EROSION CONTROL AND STORM WATER DISCHARGE PERMITTING REQUIREMENTS.

The Owner of each Lot, whether vacant or improved, their agents, assigns, heirs and/or building contractors shall take all necessary precautions to prevent, stabilize and/or control erosion on their Lot and the Plat, to prevent sediment migration and soil erosion from extending beyond the boundaries of their Lot and the Plat, and, in the event it occurs, to promptly clean up all eroded sediment and to restore all affected areas to their original condition.

Any construction or earth moving on any Lot shall be in compliance with all laws relating to storm water discharge permitting. The Owner shall be solely responsible for the Lot with respect to compliance with all terms, provisions and requirements of any NPDES Storm Water Discharge Permit No.2 and any storm water pollution prevention plan which includes the Lot.

During the ownership of the Lot, Owner shall protect, defend, indemnify and hold the Declarant and other Owners harmless from any and all damages, claims, liabilities, fines, penalties, cleanup costs and/or attorneys and consultant fees caused by, or in any manner related to (i) any discharges of soil, silt, sediment, petroleum product, hazardous substances or solid waste from the Lot and/or (ii) any alleged violation of any NPDES or storm water discharge rule or regulation.

In the event that any signs other than those described above shall be placed or exposed to view on any Lot, the agents of the Declarant are hereby
given the right to enter upon such Lot and remove such signs. Declarant reserves the right to install entrance and directional signs with respect to the Plats, at locations and of design determined by the Declarant in a manner consistent with the ordinances of the City.

**XV. TRASH RECEPTACLES.**

No trash receptacles or garbage cans shall be permitted to be placed on a Lot outside a dwelling, garage or Outbuilding unless hidden by an attractive screen of suitable height, or unless sunken to ground level in a hole lined with permanent cribbing. However, unscreened trash in proper containers and/or bags shall be allowed to be placed on a Lot outside a dwelling, garage or Outbuilding no earlier than twelve (12) hours prior to a scheduled pick up of such trash. Such unscreened trash containers must be returned to the screened area or underground location, or inside a dwelling, garage or Outbuilding, within twelve (12) hours following the scheduled pick up of such trash.

**XVI. UTILITIES.**

All utility connection facilities and services shall be underground.

**XVII. TOWERS AND ANTENNAS.**

No exterior transmission tower, antenna or television transmission dish of any kind shall be constructed, installed, modified, or permitted on the ground, on dwellings, on garages or on Outbuildings. Notwithstanding the foregoing, an exterior tower, antenna or receiver dish which is twenty-four (24) inches or less in diameter shall be permitted. No more than one (1) such exterior tower, antenna or receiver dish shall be permitted on each Lot. No more than one (1) penetration in the dwelling shall be permitted for the cable from such exterior tower, antenna or receiver dish. No other exterior towers or antenna shall be constructed, installed, modified or permitted on the ground, on dwellings, on garages or on Outbuildings.

**XVIII. MAINTENANCE.**

The Owner and/or occupant of each Lot shall jointly and severally be responsible to keep the same free of trash, weeds and debris and to keep the lawn and landscaping well maintained and healthy, including (but not limited to) maintaining the lawn at a height not to exceed six (6) inches. The Owner and/or occupant of each Lot shall jointly and severally be responsible to maintain the exterior of any dwelling, the driveway, fence, screening and all other improvements.

**XIX. CERTAIN ANIMALS PROHIBITED.**

No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot except that dogs, cats and other common household pets may be kept so long as they are not kept, bred or maintained for commercial purposes. In no event, however, shall more than a total of three (3) dogs and/or cats be kept at any one Building Lot at any one time. Dogs must be either kept in the dwelling or in a shelter aesthetically compatible with the dwelling and surrounding
areas, and dog runs, if any, must be completely screened or otherwise hidden from view from any other Lot, and all streets within the Plat. All pets must be leashed and under the control of its owner if not tied up or kept within a fenced yard.

XX. ACCESSORY STRUCTURES.

Each Building Lot may have no more than one (1) customary and traditional accessory structure such as a tool shed, garden house, in-ground swimming pool, tennis court and the like. Any trash receptacle, or tool shed, garden house or other Outbuilding of like nature, shall be properly screened by a privacy fence and/or shrubbery. No above-ground or non-permanent swimming pools shall be permitted on any Lot. Swimming pools, tennis courts, Outbuildings and other accessory structures and improvements, including dog kennels and runs, shall not extend farther than the front line of the residential dwelling extended to the side lot lines and shall not be located within 20 feet of any side or rear Lot line, as the minimum distance established by the zoning ordinance of the City or the minimum distance as established in the Plats as recorded, whichever is the more restrictive.

XXI. SURFACE WATER.

The topography of the Plats is such that surface water may flow from certain Building Lots onto other Building Lots. In regard to all matters concerning surface water, each Building Lot shall be subject to and benefited by such easements as may exist from the flowage of surface water under the laws of the State of Iowa, as may be in effect from time to time; and all Owners shall have such rights and obligations with respect thereto as may be provided by such laws.

XXII. MAILBOXES.

Neighborhood mailbox cluster units shall be installed by the Declarant according to United States Postal Service regulations. The Owner and/or occupant of the Lot(s) on which a mailbox cluster unit is located shall be responsible for removal of snow and ice which would obstruct access to the mailbox cluster units by the mail carrier and other Owners.

XXIII. PAVING ASSESSMENT.

Each Owner is hereby provided notice of their obligation for their share of costs relating to any street widening improvements for paving, construction of curb, gutter, turn lanes, storm sewer, grading and other such improvements as set forth in any agreement between Declarant and the City, and the levy of a special assessment lien against their property pursuant to any Petition Contract and Waiver with the City. THIS MEANS THAT AN OWNER OF RECORD OF A LOT AT THE TIME THE PAVING IMPROVEMENTS ARE CONSTRUCTED MAY BE ASSESSED A PORTION OF THE COSTS OF THE PAVING IMPROVEMENTS.

XXIV. ENFORCEMENT OF COVENANTS.

This Declaration shall be deemed to run with the land, and the Declarant or the Owner of
any Lot may bring an action in any court of competent jurisdiction to enforce this Declaration to enjoin its violation or for damages for the breach thereof, or for any other remedy or combination of remedies recognized at law or in equity, and shall further be entitled to recover reasonable legal fees and costs if the Declarant or Owner prevails in any such action.

**XXV. AMENDMENTS OF COVENANTS.**

This Declaration may be amended from time to time with the approval of the Owners. Such approval shall be given by the affirmative vote of not less than two-thirds (2/3) of the Owners. The Owner of each Lot (or the joint Owners of a single Lot in the aggregate) shall be entitled to cast one vote on account of each Lot owned. Notwithstanding the foregoing, until the Declarant has sold all of the Lots, it may make amendments or modifications to this Declaration without the consent of any other Owners, the Association, or any other party. This Declaration may also be amended or modified without the consent of any Owners or the Association in accordance with Section XXIX. Upon addition of additional land to this Declaration, Declarant shall be deemed, without further action or need for consent from any party, to be able to make amendments or modifications to this Declaration due to its ownership or additional Lots, even if all Lots included in the original Plat have been sold. Such amendments or modifications by the Declarant shall be effective the date the amendment or modification has been filed with the County Recorder. Notwithstanding anything herein to the contrary, Sections XIII and XXI shall not be amended or terminated without prior written approval of the City.

**XXVI. PERIOD OF COVENANTS.**

All easement, covenants, conditions, restrictions and reservations created by this Declaration shall run with the land and shall be binding upon all Lots and the Owners of any Lot, regardless of how title was acquired. All covenants, conditions, restrictions, and reservations shall be binding on the Lots for the maximum period allowed by law, subject to the right of Owners under Section 614.24 of the Iowa Code to file a verified claim in the office of the County Recorder to extend the effectiveness of these covenants for successive periods of twenty-one (21) years each on or before the twenty-first anniversary of the filing of this Declaration and prior to the twenty-first anniversary of the filing of the last verified claim. All easements and other provisions of this Declaration shall be perpetual in nature.

**XXVII. ENFORCEMENT AND WAIVER.**

A. In the event that any one or more of the foregoing covenants, conditions or restrictions shall be declared for any reason by a court of competent jurisdiction to be null and void, such judgment or decree shall not in any manner whatsoever affect, modify, change, abrogate, or nullify any of the covenants, conditions and restrictions not so expressly held to be void, which shall continue unimpaired and in full-force and effect.

B. The Plat shall also be subject to any and all rights and privileges of the City, now held or hereafter acquired, by dedication or conveyance, or by reason of the
platting and recording of the Plat, or by this Declaration or by law. Wherever there is a conflict between this Declaration and the zoning ordinance of the City, the more restrictive shall be binding.

C. This Declaration shall not be applicable to property dedicated to the City, and the City may allow appropriate public use on City-owned property within the Plats.

XXVIII. HOMEOWNER’S ASSOCIATION.

A. DEFINITIONS.

In addition to the Definitions set forth above, the following terms shall have the following definitions, except as otherwise specifically provided:

4. “Member” shall mean and refer to those persons entitled to membership in the Association as provided in this Declaration.

B. MEMBERSHIP AND VOTING.

1. Membership. Every Owner of a Lot shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot that is subject to assessment hereunder. Ownership of a Lot shall be the sole qualification for membership.

2. Voting. Subject to provisions hereof, the Owners of a Lot shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they, among themselves, determine, but in no event shall more than one vote be cast with respect to any Lot.

3. Declarant as Sole Voting Member. Notwithstanding any other provision of this Declaration, Declarant shall be the sole voting Member of the Association until Declarant no longer owns any portion of any Lot, or until Declarant waives, in writing, its right to be the sole voting member, Declarant shall have the right to elect all Directors and to cast all votes as it deems appropriate. Each Owner by acceptance of a deed to a Lot shall be deemed to have
released Declarant from all claims with respect to actions taken or not taken while Declarant controls the Association.

4. **Board of Directors.** The Members entitled to vote shall elect a Board of Directors of the Association as prescribed by the Bylaws of the Association. The Board of Directors shall manage the affairs of the Association.

5. **Suspension of Voting Rights.** The Association shall suspend the voting rights of a Member for any period during which any assessment hereunder against his/her/its Lot remains unpaid and for a period not to exceed sixty (60) days for any infraction of the published rules and regulations of the Association.

C. **COVENANT FOR MAINTENANCE ASSESSMENTS.**

1. **Creation of the Lien and Personal Obligation of Assessments.** Declarant hereby covenants for each Lot and the Owner of each Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association (1) a prorated annual assessment and (2) special assessments to be established and collected as hereinafter provided. The annual assessment and special assessments, together with late fees, interest, costs and reasonable attorney’s fees, shall be a charge on the land and shall be continuing lien upon the property against which each such assessments are made. Each such assessment, together with interest, costs, and reasonable attorney’s fees, shall further be the joint and several personal obligation of each person who was the Owner of such property at the time when the assessment became due.

2. **Purpose of Assessments.** The assessments levied by the Association shall be used exclusively to promote the health, safety, and welfare of the Owners within the Plat; for improvement, maintenance, repair, replacement, removal, and demolition of the Association Responsibility Elements; for payment of insurance; payment of real estate taxes and assessments associated with the Common Area; payment of fees, costs, debts or obligations of the Association; payment of fees to a professional management firm; payment of fees to an accounting firm and attorney in connection with the operation of the Association as well as the defense or prosecution of any legal action; and for other purposes specifically provided herein.

3. **Maximum Annual Assessment.** The Board of Directors shall establish the maximum annual assessment to be assessed against each Lot, which assessment shall include a prorate portion of the amount of real estate taxes and special assessments payable by the Association. Rates for both annual assessments and special assessments must be fixed at a uniform rate for all Lots. The Board of Directors shall fix any increase in the amount of the annual assessment at least thirty (30) days in advance of the effective date of such increase. Written notice of the increase in the annual assessment, special assessments and such other assessment notices as the Board of Directors shall deem appropriate shall be sent to every Owner subject thereto.

4. **Special Assessments for Capital Improvements and Operating Deficits.** In addition to the annual assessments authorized above, the Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, replacement, removal or demolition of a capital improvement that the
Association may from time to time incur, provided that any such assessment shall have the assent of a majority of the Members who are voting in person or by proxy at a meeting duly called for this purpose.

5. **Date of Commencement of Annual Assessments: Due Dates.** The annual assessment provided for herein shall commence as to each respective Lot on the first day of the first month following the date of conveyance of a Lot by Declarant. Upon such conveyance, the annual and special assessments prorated to December 31 must be paid to the Association. The Board of Directors shall establish the due dates for all assessments. All payments shall be made on or before the due date. Both annual assessments and special assessments shall be collected by the Association, in advance, in annual installments due on January 1.

6. **Declarant Exempt for Assessments.** Declarant shall not be liable for annual or special assessments upon Lots owned by it. Declarant is not responsible for the establishment of a budget as long as Declarant is the sole voting member of the Association. The Association and Declarant are not required to submit statements for assessments to any Owner.

7. **Effect of Nonpayment of Assessments: Remedies of the Association.** Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of 15% per annum or at the highest rate allowed by Iowa law, whichever is lower. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property in the manner provided for foreclosure of a mortgage, or both, and there shall be added to the amount of said assessment all cost and expenses incurred by the Association in collecting said assessments, including reasonable attorney’s fees, whether or not legal action is required in connection therewith. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of the Owner’s Lot.

8. **Subordination of Assessments Liens.** The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The assessment shall be paid prior to or at the closing of sale or transfer of any Lot. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. Provided, however, the sale or transfer of any Lot pursuant to the foreclosure of any first mortgage on such Lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer. The failure of an Owner to pay assessments as provided herein shall not constitute a default under a mortgage insured by the Federal Mortgage Agencies.

9. **Assessment Certificate.** The Association shall, upon demand, and of a reasonable charge, furnish a certificate in a recordable form signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate from the Association regarding the status of assessments on a Lot shall be binding upon the Association as of the date of its issuance.

**D. MAINTENANCE BY ASSOCIATION, COMMON AREA AND INSURANCE.**
1. **Maintenance of Association Responsibility Elements.** The Association shall provide all maintenance, repair, replacement, restoration, removal and demolition of the Association Responsibility Elements, including (but not limited to) all necessary painting, repairs, replacements and care of signs, monuments and other entrance structures. In the case of lawns, shrubs, trees, and other elements of landscaping, the Association shall perform all routine maintenance, including (but not limited to) all necessary mowing, trimming, and replacement of landscaping, and use of pesticides to control infestation of weeds and insects. In the event that the need for maintenance or repair is caused through the willful or negligent act of any Owner, or the Owner’s family, guests, invitees, agents or contractors, the cost of such maintenance or repairs shall be assessed to such Owner.

2. **Maintenance of Common Areas.** The Association shall be the owner of the Common Area and shall timely pay all real estate taxes and assessments levied against the Common Area (if any). Declarant hereby covenants for itself, its successors and assigns that it shall convey to the Association the fee title to the Common Area free and clear of all mechanic’s liens or any liens or encumbrances whatsoever, except covenants, easements, conditions and restrictions whether or not of record or created by this Declaration or granted to any public authority.

3. **Contracts and Agreements.** The Board of Directors, in its sole discretion, shall enter into any contract, agreement, lease, management contract, employment contract or lease of recreational equipment and facilities, engage the services of and discharge any manager, activities director, managing agent, independent contractor or other employee as it deems necessary. The Board of Directors, in its sole discretion, shall determine the duties and compensation of such persons so employed.

4. **Insurance.** The Association shall purchase and maintain a comprehensive public liability insurance policy in such amount or amounts as the Board of Directors shall deem appropriate from time to time. Such comprehensive public liability insurance policy shall insure the Association and the Owners against claims relating to the Association Responsibility Elements. The Association shall pay the premiums for all such insurance hereinabove described and the cost thereof shall become a part of the annual assessment.

5. **Access for Maintenance.** The Association and its agents, employees or contractors shall have the right of reasonable access for ingress and egress over, across or through each Lot for the purpose of performing its maintenance, obligations of the Common Area and Association Responsibility Elements.

**XXIX. ADDITION OF PROPERTY.**

1. **Conveyance of Additional Common Area and Additional Responsibility Elements.** Declarant shall have the right at any time to convey additional Common Area to the Association or to add additional Association Responsibility Elements. Nothing in this Section, however, shall be deemed to be an obligation on the part of Declarant to convey additional Common Area to the Association in the future. The Association shall be obligated to accept any additional Common Area so conveyed by Declarant and to hold and maintain the additional Common Area pursuant to the terms of this Declaration.
2. **Subjecting Additional Land to Declaration.** Declarant shall have the irrevocable right to subject additional land to the terms of this Declaration at any time in the future without the consent of the Association or any Owner. The additional land shall be automatically subject to the applicable terms and conditions of this Declaration and Owners of Lots within the additional land shall automatically become Members of the Association in the same fashion as described in this Declaration and shall be subject to the same applicable terms, conditions, duties and assessments as described in this Declaration. Declarant shall signify the addition of land by filing an amendment to this Declaration with the Recorder of Warren County, Iowa. No approval of the Association, Owner, or any other person shall be necessary.
