Great one story home with many updates! Seller has remodeled and made this home into a great open layout. Beautiful laminate flooring throughout great area. Living room includes an electric fireplace. Kitchen boasts stainless steel appliances, glass tile mosaic backsplash, upgraded kitchen faucet, newer black cabinets with lots of cabinet space, and new countertops. Also a remodeled bathroom with new tile floor, new vanity,

toilet, and tub/surround. Other features: Freshly painted white trim and doors, custom blinds, vinyl windows w/ slider, new Ceiling fan with remotes, recessed lights, new electrical panels, oversized 24x30 two car garage w/ heater, fenced in yard, large composite deck, shed, vinyl siding, and a great unfinished lower level ready for you to finish (plumbed for bathroom), sump pump, and radon system installed!
