Section 2. Ownership of Common Area. The Association shall be the owner of the Common Area and shall timely pay all utility charges, real estate taxes and assessments levied against the Common Area. Declarant hereby covenants for itself, its successors and assigns that it shall convey to the Association the fee title to the Common Area free and clear of all mechanic's liens or any liens or encumbrances whatsoever, except covenants, easements, conditions and restrictions whether or not of record or created by this Declaration or granted to any public authority. The Common Area shall not be conveyed or transferred by the Association without the prior approval of the City.

Section 3. Owners' Easement and Right of Enjoyment. Every Owner shall have a non-exclusive right and easement of enjoyment in and to the Common Area which shall be appurtenant to and shall pass with the title to every Lot, subject to the right of Declarant or the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility for such purposes. Upon transfer of fee title to the Common Area to the Association, no such dedication or transfer shall be effective unless an instrument filed of record by the Association with the County Recorder consenting to such dedication or transfer has been

authorized by seventy-five percent (75%) of the Members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 4. Use of Common Area. The Common Area shall be used strictly in accordance with the provisions of this Declaration. No Owner shall obstruct or interfere whatever with the rights and privileges of the other Owners, Declarant or the Association in the Common Area. Nothing shall be planted in, altered in, constructed in, or removed from the Common Area, except upon written consent of the Board of Directors.

ARTICLE III MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

Section 1. Membership. Every Owner of a Lot shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot that is subject to assessment hereunder. When more than one person holds an interest in any Lot, all such persons shall be Members. Ownership of a Lot shall be the sole qualification for membership.

Section 2. Voting. Subject to provisions of Section 3 of this Article, there shall be appurtenant to each Lot one vote in the Association. When more than one person holds an interest in any Lot, the vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Lot.

Section 3. Declarant as Sole Voting Member. Notwithstanding any other provision of this Declaration, Declarant shall be the sole voting Member of the Association until Declarant no longer owns any portion of the Properties or until Declarant waives, in writing, its right to be the sole voting Member. Section 6. Duration. No dissolution of the Association shall occur unless another association or equivalent entity has been created to succeed to the duties and responsibilities of the Association under this Declaration.

**ARTICLE IV
COVENANT FOR MAINTENANCE ASSESSMENTS**

Section 1. Creation of the Lien and Personal Obligation of Assessments.

Declarant, for each Lot owned within the Properties, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) regular assessments or charges (2) special assessments for capital improvements and operating deficits, and (3) other special assessments as provided herein, such assessments to be established and collected as hereinafter provided. The assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each assessment is made senior to all liens except a first mortgage of record and any ad valorem taxes. Each assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person, persons or entity who was the Owner of the Lot at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to the Owner's successors in title unless expressly assumed by such successor.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety and welfare of the residents of the Lots; for carrying out the general duties and powers of the Association, including, but not limited to, decoration, operation, management, improvement, maintenance, repair, reconstruction, restoration, replacement, removal and preservation of the Association Responsibility Elements; for payment of insurance and real estate taxes and assessments associated with the Association and the Association Responsibility Elements; and for other purposes specifically provided herein. In making such assessments, the amount to be levied shall be equal and limited to the actual cost to the Association of providing those functions and services set forth in this Declaration.

Section 3. Maximum Regular Assessment and Notice. The Board of Directors shall establish the maximum regular assessment to be assessed against each Lot, which assessment shall include a pro rata portion of the amount of real estate taxes, special assessments and insurance premiums payable by the Association. Until January 1 of the year immediately following the conveyance of the first Lot by Declarant to an Owner, the maximum regular assessment shall be \$1,800.00 per Lot, payable at the monthly rate of \$150.00. Thereafter, the Board of Directors shall establish the amount of the regular assessment against each Lot at least thirty (30) days prior to January 1 of each year. Any proposed increase of more than thirty percent (30%) greater than the regular assessment levied for the previous year shall require the consent of seventy-five percent (75%) of the Members who are voting in person or by proxy at a meeting duly called for this purpose. Written notice of the regular assessment, special assessments and such other assessment notices as the Board of Directors shall deem appropriate shall be sent to every Owner subject thereto.

Section 4. Reserve Fund. A portion of the regular assessment shall be set aside or otherwise allocated in a reserve fund for the purpose of providing repair and replacement of the Association Responsibility Elements and any capital improvements which the Association is required to maintain.

Section 5. Special Assessments for Capital Improvements and Operating Deficits. In addition to the regular assessment authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement for any Association Responsibility Element, including fixtures and personal property related thereto which the Association is required to maintain, or for operating deficits that the Association may from time to time incur, provided that any such assessment shall have the assent of seventy-five percent (75%) of the Members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 6. Uniform Rate of Assessment. Both regular and special assessments must be fixed at a uniform rate for all Lots.

Section 7. Date of Commencement of Regular Assessments; Payment of Assessments; Due Dates. The regular assessments provided for herein shall commence as to each respective Lot on the first day of the first month following the date of conveyance to an Owner of a completed Living Unit constructed on the Lot. The maintenance responsibilities of the Association as to each Lot shall commence concurrently with the commencement of regular assessments. The regular and special assessments for each Lot conveyed by Declarant to a third party shall become the obligation of the new Owner upon transfer of the Lot. The new Owner shall then begin making payments of regular and special assessments when the next installment is due for such Lot. The Board of Directors shall establish the due dates for all assessments. All payments shall be made on or before the due date.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of 15% per annum or at the highest rate allowed by Iowa law, whichever is lower. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot in the manner provided for foreclosure of a mortgage, or both, and there shall be added to the amount of said assessment all costs and expenses incurred by the Association in collecting said assessments, including reasonable attorney's fees, whether or not legal action is required in connection therewith. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Association Responsibility Elements or abandonment of the Owner's Lot.

Section 9. Declarant Exempt from Assessments. Declarant shall not be liable for regular or special assessments upon Lots owned by it. Declarant is not responsible for the establishment of a budget as long as Declarant is the sole voting Member of the Association. The Association and Declarant are not required to submit statements for assessments to any Owner.

Section 10. Subordination of Assessment Liens. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The assessment shall be paid prior to or at the closing of sale or transfer of any Lot. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. Provided, however, the sale

or transfer of any Lot pursuant to the foreclosure of any first mortgage on such Lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer.

Section 11. Assessment Certificate. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in a recordable form setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate from the Association regarding the status of assessments on a Lot shall be binding upon the Association as of the date of its issuance.

ARTICLE V DECLARANT'S RIGHTS

Section 1. Marketing of Living Units and Offices. Declarant reserves the right to use any of its Living Units as models and to sell, assign, or conduct other business in connection with the construction and development of the Properties from any of its Living Units prior to their being sold. This reservation of right or privilege in Declarant includes, but is not limited to, the right to maintain an office, staff the office with employees, display signs, and show any of its Living Units then unsold. Neither the Owners nor the Association nor the use of the Association Responsibility Elements shall interfere with the construction of improvements and sale of the Lots or Living Units by Declarant.

Section 2. Construction of Buildings and Landscaping. Declarant reserves the right to make changes in the number, location, or manner of construction of Buildings and other improvements; provided, that in all cases, such changes shall be accomplished in a manner consistent with applicable laws and ordinances. An Owner shall be liable to the Association for the expense of any maintenance, repair or replacement to the Association Responsibility Elements rendered necessary by any intentional, willful, negligent or careless act of such Owner or by that of family, guests, tenants or licensees of such Owner. Any such expense for maintenance, repair or replacement shall be added to and become a part of the assessments to which such Lot is subject.

ARTICLE VII INSURANCE

Section 1. Casualty Insurance. The Association shall obtain a master casualty insurance policy or policies affording fire and extended coverage insurance for the Association Responsibility Elements in an amount equal to the full replacement value thereof. The Association may obtain "all risk" coverage for the Association Responsibility Elements. The Association may cause such full replacement value to be determined by a qualified appraiser and the cost of any such appraisal shall be included in the regular assessment for each Lot. Such insurance coverage shall be for the benefit of the Association, each Owner, and, if applicable, the first mortgagee of each Lot. The master casualty insurance policy, and "all risk" coverage if obtained, shall (to the extent the same are obtainable) contain provision that the insurer (a) waives its right to subrogation as to any claim against the Association, its Board of Directors, its agents and employees, the Owners and their respective agents and guests, and (b) waives any defense based on invalidity based upon the acts of the insured; and providing further that the insurer shall not be entitled to contribution against casualty insurance which may be purchased by any Owner as hereinafter permitted.

Such comprehensive public liability insurance policy shall cover the Association, its Board of Directors, any committee or organization of the Association or Board of Directors, its agents and employees, the Owners and all other persons entitled to occupy any Lot. The Association shall also obtain any other insurance required by law to be maintained, including but not limited to, worker's compensation insurance, and such other insurance as the Board of Directors shall from time to time deem necessary, advisable or appropriate. Such insurance coverage shall also provide for and cover cross liability claims of one insured party against another insured party. Such insurance shall inure to the benefit of each Owner, the Association, its Board of Directors and any managing agent acting on behalf to the Association. Each Owner shall be deemed to have delegated to the Board of Directors the Owner's right to adjust with the insurance companies all losses under policies purchased by the Association.

Section 3. Distribution to Mortgagee. In no event shall any distribution of proceeds be made by the Board of Directors directly to an Owner where there is a mortgagee endorsement on the certificate of insurance. In such event, any remittances shall be to the Owner and the mortgagee jointly, or in accordance with the terms of any endorsement in favor of the mortgagee.

Section 4. Annual Review of Policies. The Board of Directors shall review at least annually all insurance policies acquired by the Association for the amount and type of such insurance and shall purchase such additional insurance as is necessary to provide the insurance required above.

Section 5. Assessment for Insurance. The premiums for all such insurance hereinabove described shall be paid by the Association and the costs of the same shall be assessed against each Lot as part of the regular assessment. When any such policy of insurance hereinabove described has been obtained by or on behalf of the Association, written notice of the obtainment thereof and of any subsequent changes or termination shall be promptly furnished to each Owner, mortgagee, the City of whose interest may be affected thereby, which notice shall be furnished by the officer of the Association who is required to send notices of meetings of the Members of the Association.

Such insurance shall contain the same provisions for waiver of subrogation as referred to in the foregoing provisions for the master casualty insurance policy to be obtained by the Association as follows: the insurer (a) waives its right to subrogation as to any claim against the Association, its Board of Directors, its agents and employees, the Owners and their respective agents and guests, and (b) waives any defense based on invalidity based upon the acts of the insured; and providing

further that the insurer shall not be entitled to contribution against casualty insurance which may be purchased by any Owner as hereinafter permitted.

Each Owner shall further obtain comprehensive public casualty insurance, at the Owner's expense, affording coverage upon the Owner's Lot with a combined single limit of not less than \$300,000 per occurrence. Such insurance shall provide that it shall be without contribution as against the casualty insurance purchased by the Association. If a casualty loss is sustained and there is a reduction in the amount of the proceeds which would otherwise be payable on the insurance obtained by the Association pursuant to this paragraph due to proration of insurance purchased by an Owner under this paragraph, the Owner agrees to assign the proceeds of this latter insurance, to the extent of the amount of such reduction, to the Association to be distributed as herein provided.

An Owner's policy of insurance should also include (i) coverage for loss of use should a Living Unit be uninhabitable due to a covered loss to insure against extra expenses incurred by living elsewhere until the Living Unit can be restored; and (ii) dwelling coverage for the Living Unit in addition to what the Association provides.

Section 9. Surplus of Insurance Proceeds. If there is any surplus of insurance proceeds after reconstruction or repair of the damage has been fully completed and all costs paid, such sums may be retained by the Association as a reserve or may be used in the maintenance and operation of the Properties, or, in the discretion of the Board of Directors, may be distributed to the Owners of the Building affected and their mortgagees who are the beneficial owners of the fund. The action of the Board of Directors in proceeding to repair or reconstruct damages shall not constitute a waiver of any rights against Owner for committing willful or malicious damage.

ARTICLE VIII ARCHITECTURAL CONTROL

No building, fence, wall or other structure, except as originally constructed by or on behalf of Declarant, shall be commenced, erected, altered, or maintained upon the Properties, nor shall

any exterior addition to or change or alteration thereof, other than by the Board of Directors, be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors. Any change in the appearance or the color of any part of the exterior of a Building shall be deemed a change thereto and shall require the approval by the Board of Directors.

Agents of or contractors hired by Declarant or the Board of Directors may enter any Lot when necessary in connection with any maintenance, landscaping, or construction for which the Association is responsible, provided such entry shall be made with as little inconvenience to the Owners as practicable.
- (f) Each Lot is burdened with an easement of ingress and egress over the land upon the Lot, but not the Building or improvements thereon, for reasonable access by another Owner to maintain or repair utility facilities located off-premises from such Owner's Lot.
- (g) Each Lot is burdened with an easement for surface water drainage for the benefit of all other Lots.

- (h) Each Lot is burdened with an easement for sidewalks for use by pedestrians and non-motorized vehicles to obtain access from the public or private street and from one property to another. No Owner shall obstruct or allow any obstructions on any sidewalk which would impair use and access to the Living Unit that such sidewalk exclusively serves.
- (i) Those Living Units that share a patio and/or deck are burdened with an easement for a common patio and/or deck with the adjacent Living Unit. No Owner shall obstruct or impair use and access to the Living Unit that such patio and/or deck exclusively serves.

Section 2. Additional Easement Rights. There is hereby reserved and granted for the benefit of all Lots and Owners certain easements for ingress/egress, drainage, detention, public or private utility and sewer easements as such easements may be shown upon any recorded subdivision plat or any separately created easement recorded in favor of the Association, utility companies and the City for the construction and maintenance of such ingress/egress, drainage, detention, and all electrical, telephone, water, gas, sewer and other utility services to the Living Units constructed on the Lots, including all lines, pipes, wires, cables, ducts and such. Declarant reserves unto itself, for the benefit of all Lots and Owners, an easement right, title and authority to relocate, alter or otherwise change the location of any drainage, detention, utility or sewer easement and to grant such further easements, licenses, and rights of way, temporary or permanent, exclusive or non-exclusive, surface or otherwise, as Declarant may deem necessary or appropriate, for ingress, egress, utility and similar purposes on or within the Properties. Each Owner shall take title subject to the right and easements reserved herein; provided, however, the rights reserved in this Section shall not be exercised in any manner which unreasonably and adversely affects any Building located upon any Lot or any Owner's use or enjoyment thereof or which unreasonably restricts the rights of ingress or egress to any Lot. The rights and easements reserved by Declarant in this Section shall run with the land and Declarant's right to further alter or grant easements shall automatically transfer to the Association when Declarant shall have conveyed the last Lot within the Properties.

Section 3. Easement for Emergency Purposes. An easement is hereby dedicated and granted for ingress, egress and parking in case of emergency by emergency vehicles such as fire trucks, police cars and ambulances and emergency personal, public and private, over and upon the Properties. Officers, employees or contracted agents of any governmental agency shall have the right and authority to enter upon any Lot for the administration of public services including fire protection, law enforcement, water service and animal control. The rights encompassed within this grant shall include the right to use all entrances, exits, sidewalks, driveways and similar facilities that may now or hereinafter be established and constructed upon any portion of the Properties.

Section 4. Sign Easement. There is hereby reserved and granted to the Association, for the benefit of all Lots and Owners, the right and easement to erect and maintain an entrance sign within the Properties. Declarant reserves unto itself for so long as it owns any Lot, the right and easement to erect and maintain such entryway, identification and "For Sale" sign or signs within the Properties as Declarant deems reasonably necessary.

Section 5. Parking Rights. The paved driveway in front of each Owner's garage shall be for the exclusive use of such Owner and any family, guest, tenant or licensee of such Owner. The Association may by regulation or rule limit or prohibit guest parking or the parking of vehicles on the parking areas and streets. No one shall use the private street, parking areas or driveways within the Properties for parking or storage of any watercraft, snowmobiles, trailers, camping vehicles or other recreational vehicles, or for parking of trailers or other commercial vehicles except temporarily or incidentally for the making of pick-up and deliveries to neighboring Lots and those used during any maintenance, repair, replacement or construction of the structures or improvements within the Properties. In the event of a violation of this provision, the Association may, after reasonable notice, remove any such watercraft, snowmobile, trailer, camping, recreational, commercial or other vehicles, and assess the Owner of the Lot for the cost of removal. At no time shall a vehicle or any mobile equipment be disassembled, repaired or serviced on the Properties, except inside a garage or out of view from the street and abutting Lots. No vehicle, fence, barrier or other obstruction of any kind shall be parked, placed or constructed within the Properties which would impede or impair access from or to any Lot or public street.

Section 6. Other Grants of Easements or Dedications. The Owners shall not grant any easements on their respective Lots to or for the benefit of any person who is not an Owner or to or for the benefit of any real estate outside the Properties other than (i) for street widening purposes, or (ii) for public or private utility company making improvements within the Properties.

Section 7. Encroachment of Buildings. If, by reason of location, construction, settling or shifting of a Building containing a Living Unit appurtenant to a Lot (the "Encroaching Unit") encroaches upon any minor portion of any other adjacent Lot, then in such event, an exclusive easement shall be deemed to exist and run to the Owner of the Encroaching Unit for the maintenance, use and enjoyment of the Encroaching Unit and all appurtenances thereto, for the period during which the encroachment exists.

ARTICLE X PARTY WALLS

Section 1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of the Building upon the Properties and placed on the dividing lines between the Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Declaration and the rights of the Association, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The costs of repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, subject to the right of any such Owners to call

for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provision of this Article, an Owner who by the Owner's negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. Right of Contribution Runs With Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title to the Lot.

ARTICLE XI USE RESTRICTIONS

Section 1. Subjection of the Properties to Certain Provisions. The ownership, use, occupation and enjoyment of each Lot and the Common Area shall be subject to the provisions of the Articles of Incorporation and Bylaws of the Association, and this Declaration, all of which provisions irrespective of where set forth or classified shall have equal status and shall be enforceable and binding as a covenant, condition, restriction or requirement running with the land and shall be binding on and enforceable against each and all Lots and the Owners thereof and their respective assigns, lessees, tenants, occupants and successors in interest.

Section 2. Designation of Use. All Lots shall be known and described as residential lots and shall not be improved, used or occupied for other than single-family dwelling purposes. No full or part-time business activity may be conducted on any Lot or in any Living Unit except those activities permitted under the terms of the zoning ordinance of the City.

Section 3. Restriction on Rental. In order to protect the integrity of the Properties and to ensure that those persons residing therein have similar proprietary interests in their Lots and Living Units, no Living Unit shall be leased or rented unless the lease (i) is in writing for a period of not less than one year (with no option to sublease); (ii) acknowledges the tenant's responsibilities under this Declaration and the rules and regulations adopted by the Association; and (iii) states that failure of the tenant to comply with this Declaration and such rules and regulations shall constitute a default under the lease. No lease shall relieve the Owner of the Living Unit from liabilities and responsibilities to the Association and other Owners as set forth in this Declaration or imposed under the laws of the State of Iowa.

Section 4. Rules and Regulations. The Board of Directors shall have the authority to adopt rules and regulations governing the use the Association Responsibility Elements and other aspects of the Properties; and such rules shall be observed and obeyed by the Owners, their families, guests, tenants, assigns, and licensees. Such rules and regulations after being properly adopted at a meeting duly called for such purpose shall have the same force and effect as if contained in this Declaration.

Section 5. General Use Restrictions. The use of the Properties shall be in accordance with and subject to the following provisions:

- (a) No structure, trailer, camper, basement, tent, shack, garage, shed, or other building shall be used on any Lot or the Common Area at any time as a residence, either temporarily or permanently.
- (b) No fence shall be allowed to be constructed on any Lot or the Common Area without prior approval from the Board of Directors. Any fence approved by the Board of Directors shall be limited to privacy or decorative fences located around the decks or patios of the Living Units.
- (c) No livestock, poultry, or other animals of any kind shall be raised, bred or kept in any Lot or on the Common Area, except an Owner shall be permitted to keep cats, dogs, or other usual household pets subject to rules and regulations adopted by the Association, based on the City Pet Ordinance. No exotic, dangerous or vicious animals shall be allowed. No dogs or cats shall be permitted outside of the Living Unit unless leashed and attended by the Owner. No dog runs, doghouses, unattended chains or invisible fencing shall be permitted. The Owner shall be responsible for prompt removal and disposal of all waste from their pets. The Association may, by rules and regulations, prohibit or further limit the keeping of any pet on any Lot, provide for assessments to Lots housing pets, or provide penalties for Owners found in violation of this Section or the rules and regulations regarding pets.
- (d) No noxious or offensive activity shall be allowed which unduly interferes with the peaceful possession and use of the Lots by the Owners; nor shall any fire hazard or unsightly accumulation and refuse be allowed; nor shall any Lot or the Common Area be used for any unlawful purpose.
- (e) Nothing shall be done or kept in any Lot or the Common Area which will increase the rate of insurance on the Properties without prior consent of the Board of Directors. No Owner shall permit anything to be done or kept in the Owner's Lot which will result in the cancellation of insurance on any Lot or any part of the Association Responsibility Elements, which would be in violation of any law, or which may be or become a nuisance or annoyance to the other Owners.
- (f) All valid laws, zoning ordinances, and regulations of all governmental bodies having jurisdiction shall be observed. The responsibility of meeting the requirements of governmental bodies which require maintenance modification or repair of property shall be the same as the responsibility for the maintenance and repair of the property concerned.
- (g) No sign shall be placed upon any Lot except for a "for sale" or "garage sale" sign of a design approved by the Association. No signs of any nature, kind or description shall be erected, placed or maintained on any Lot which identify, advertise or in any way describe the existence or conduct of a home occupation.

- (h) No home occupation shall be conducted or maintained on any Lot other than one which is incident to a trade, business, profession, employment or occupation of the Owner or occupant of any such Lot, nor shall any Lot be used for a multi-family dwelling, boarding house or rooming house. Nothing contained herein shall be construed or interpreted to affect the business activities of Declarant in the sale of its Lots or as part of the development of the Properties.
- (i) Trash receptacles shall be kept by Owners within the garage of the Living Unit and shall be set outside only at the end of the driveway serving the Living Unit on designated garbage pick-up days.
- (j) No tower, antennae, satellite dish or similar reception device shall be placed on any Building except those which cannot be prohibited pursuant to the Federal Over-the-Air Reception Devices Rule, 47 C.F.R. §1.4000, or other similar governmental mandate in effect at the time of placement. All installations shall be completed so as not to materially harm or damage the Association Responsibility Elements; or to void any warranties held by the Association; or to jeopardize or impair the integrity, safety or soundness of the Building upon a Lot. Upon receipt of reasonable notice, an Owner shall remove and reinstall, at such Owner's sole expense, the reception device to accommodate repairs and maintenance for which the Association is responsible. The Owner shall be responsible to the Association for any expense, liability, or damage of any kind resulting from the installation, maintenance, and use of the tower, antenna, satellite dish or similar reception device. The Declarant and the Association will not be responsible to an Owner for any loss or damage to any tower, antenna, satellite dish or similar reception device.
- (k) No basketball goal, whether attached to the Living Unit or affixed to a free-standing pole, soccer goal, baseball backstop or other similar sporting equipment shall be allowed to be constructed on any Lot without prior approval from the Board of Directors.
- (l) No personal property shall be stored or left upon the Common Area or a Lot except within the Living Unit or garage located upon the Lot. However, unattached sporting equipment, toys, outdoor cooking equipment, and other equipment and supplies necessary or convenient to residential living may be stored on the patio or deck of the Living Unit.
- (m) Garage doors shall be kept closed except during times of access to the garage or as permitted by the rules and regulations of the Association.
- (n) Holiday decoration during the winter season may be displayed by an Owner no earlier than six (6) weeks before the 1st day in January and shall be removed by the Owner on or before three (3) weeks after the 1st day of January.

ARTICLE XII GENERAL PROVISIONS

Section 1. Enforcement. Declarant, the Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens, assessments, fines, and charges now or hereafter imposed by the provisions of this Declaration, and shall be entitled to recover reasonable attorney's fees and costs and expenses incurred as a result thereof.

Section 2. No Waiver. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained or the Articles of Incorporation and Bylaws of the Association, or the rules and regulations adopted pursuant thereto, shall not constitute a waiver of the right to enforce the same thereafter.

Section 3. Notice to Mortgagees. The Association, upon request, shall provide written notification to any lender holding a first mortgage upon any Lot specifying the defaults of the Owner of such Lot, if any, in the performance of such Owner's obligations under this Declaration, the Articles of Incorporation or Bylaws of the Association or any other applicable documents which default has not been cured within sixty (60) days.

Section 4. Assignment by Declarant. This Declaration may be assigned by Declarant to a successor-in-interest by written instrument executed by both parties and filed of record with the County Recorder. Upon such assignment, the initial Declarant shall have no further obligation in connection with the Properties.

Section 5. Duration. The easements granted herein, and all Association obligations shall be perpetual in nature. All covenants, conditions, restrictions and reservations created by this Declaration shall run with the land and shall be binding upon all parties claiming under them for the maximum period allowed by law, subject to the right of Owners under Section 614.24 of the Iowa Code to file a verified claim in the office of the County Recorder to extend the effectiveness of these covenants for successive periods of twenty-one (21) years each on or before the twenty-first anniversary of the filing of this Declaration and prior to the twenty-first anniversary of the filing of the last verified claim. Invalidation of any of the covenants, conditions, and restrictions of this Declaration by judgment or decree shall in no way effect any of the provisions hereof, but the same shall remain in full force and effect.

Section 6. Amendment. This Declaration may be amended or changed from time to time by an instrument filed in the office of the County Recorder, signed or approved in writing by the affirmative vote of not less than two-thirds (2/3) of the Owners, provided, however, none of the rights or duties of Declarant reserved or set out hereunder may be amended or changed without Declarant's prior written approval. The Owner of each Lot (or the joint Owners of a single Lot in the aggregate) shall be entitled to cast one vote on account of each Lot owned. Notwithstanding the foregoing, this Declaration may be amended by Declarant without approval by the other Owners so long as Declarant has any ownership interest in the Properties. Such amendments or

modifications shall be effective the date the amendment or modification has been filed with the County Recorder.

**ARTICLE XIII
ADDITION AND REMOVAL OF PROPERTY**

Section 1. Additional Common Area. Declarant shall have the right at any time to convey additional Common Area to the Association from time to time. Nothing in this Section, however, shall be deemed to be an obligation on the part of Declarant to convey additional Common Area to the Association in the future. The Association shall be obligated to accept any additional Common Area so conveyed by Declarant and to hold and maintain the additional Common Area pursuant to the terms of this Declaration.

Section 2. Subjecting Additional Land to Declaration. Declarant shall have the irrevocable right to subject additional land to the terms of this Declaration at any time in the future without the consent of the Association. The additional land shall be automatically subject to the applicable terms and conditions of this Declaration and Owners of Lots within the additional land shall automatically become Members of the Association in the same fashion as described in this Declaration and shall be subject to the same applicable terms, conditions, duties and assessments as described in this Declaration. Declarant shall signify the addition of land by filing an amendment to this Declaration with the County Recorder. No approval of the Association, the Owners or any other person shall be necessary.

Section 3. Removing Land from Operation of Declaration. Declarant shall have the right now and in the future to remove any portion of the Properties from the operation of this Declaration provided that the portion so removed has not yet been platted into individual lots and a plat for that portion has not been filed of record with the County Auditor. Declarant shall signify this removal by filing an amendment to this Declaration with the County Recorder. No approval of the Association, the Owners or any other person shall be necessary.

**ARTICLE XIV
LIMITATION OF LIABILITY**

Section 1. Declarant shall not be liable to the Association or any Owner for damages or repairs to:

- (a) Any private street, sidewalk, driveway, curb, stoop, patio or other concrete improvement located within the Properties, including (but not limited to) cracking or chipping that may occur due to weather conditions; or
- (b) Any Living Unit beyond the express warranties set forth in the homeowner's warranty provided to the original owner; or
- (c) Any appliances within any Living Unit, including, but not limited to, the furnace, air-conditioner, stove, oven, dishwasher and garbage disposal, beyond the express warranties set forth in the manufacturer's warranty provided to the original Owner.

ARTICLE XV
RESTRICTIONS ON OCCUPANCY HOUSING FOR OLDER PERSONS
AND AGE RESTRICTION

Section 1. Purpose. The Properties are intended to be operated for occupancy by persons fifty-five (55) years of age or older in accordance with The Fair Housing Act (Title VIII of the Civil Rights Act of 1968, as amended, 42 U.S.C. 3601 et seq.) (the “Fair Housing Acts”), which exempt “housing for older persons” from the prohibitions against discrimination based on familial status. Except as provided in Section 2 below, each Living Unit, if occupied, must be occupied by at least one (1) person fifty-five (55) years of age or older. Except as provided in Section 3 below, no person under eighteen (18) years of age shall occupy or reside in a Living Unit. The Board of Directors, in its sole and absolute discretion, shall have the right and power to determine when a person “occupies or resides” in a Living Unit.

Section 2. Age Restriction. As permitted by the Fair Housing Acts, at least eighty percent (80%) of the occupied Living Units must be occupied by at least one person who is fifty-five (55) years of age or older. Accordingly, the Board of Directors, upon application, shall have the right and option, but without obligation, at the Board’s sole and absolute discretion, to permit a Living Unit to be occupied by persons all of whom are under the age of fifty-five (55), unless the granting of permission would result in fewer than eighty (80%) of the occupied Living Units being occupied by one person fifty-five (55) years of age or older, or considering other factors deemed appropriate by the Board of Directors, may jeopardize (whether at the time of the request or in the future) the Properties status as “housing for older persons” under the Fair Housing Acts. The Board of Directors shall exercise its sole and absolute discretion based upon criteria that the Board shall determine as appropriate, including, without limitation, information then known to the Board concerning potential or pending changes in occupancy of other Living Units, the ages of the persons requesting such permission, the proximity to age fifty-five (55) of those occupants of other Living Units then under such age, and any other information known to and deemed relevant by the Board of Directors, in its sole discretion. Any request submitted to the Board of Directors pursuant to this subsection shall be a written request setting forth the names and ages of all proposed occupants of the Living Unit and such other information as the Board reasonably may require.

Section 3. Persons Under Eighteen Years of Age. The Board of Directors, upon application by a person, because of undue hardship on such person or other occupants of the Living Unit or extraordinary circumstances, in its sole and absolute discretion (unless the granting of permission would jeopardize the Properties status as “housing for older persons” under the Fair Housing Acts), shall have the right and option, but not the obligation, to permit a Living Unit to be occupied by a person under eighteen (18) years of age. Any person requesting permission to have a Living Unit occupied pursuant to the provisions of this Section shall submit a written request to the Board of Directors setting forth the reason for the request and such other information as the Board reasonably may require. A person under eighteen (18) years of age may visit a Living Unit as a guest of the Owner of the Living Unit for a period of not more than three (3) consecutive weeks, and in no event for more than thirty (30) days in any twelve (12) month period.

Section 4. Verification of Age. Each Owner, as and when requested to do so by the Board of Directors, shall furnish the Board with the names and ages of all occupants of the Living

Unit and such affidavits and other documents as the Board may request to verify the age of such occupants. In the event there is a change in the occupancy of a Living Unit, the Owner immediately shall notify the Board in writing of such change and comply with all the rules and regulations adopted by the Board for verification of occupancy.

Section 5. Rules, Policies and Procedures. The Board of Directors shall publish and adhere to policies and procedures to demonstrate the intent that the Properties are intended and operated for occupancy by persons fifty-five (55) years of age or older. Furthermore, the Board shall comply with any rules issued by the Secretary of Housing and Urban Development for verification of occupancy. The policies and procedures shall provide for verification of occupants of a Living Unit by reliable surveys and affidavits or other means as permitted by the Fair Housing Acts.

Section 6. Compliance with Fair Housing Acts. The requirements contained herein are intended to comply with the exemption requirements under the Fair Housing Acts and any regulations now or hereafter issued therefor. Notwithstanding anything contained herein to the contrary, it is acknowledged and agreed that although it is the intent of Declarant that the Properties are intended to be and that it be operated for occupancy by persons fifty-five (55) years of age or older in compliance with the Fair Housing Acts which exempt “housing for older persons” from the prohibitions against discrimination based on familial status, no representation or warranty is made that the Association complies or will comply with the Fair Housing Acts, and if for any reason the Properties are deemed not in compliance with the Fair Housing Acts and therefore not exempt from the prohibitions against discrimination based on familial status, neither Declarant nor the Association (or the affiliates of any of the foregoing) shall have any liability in connection therewith. Notwithstanding anything contained herein to the contrary notwithstanding, Declarant, so long as Declarant owns any Living Unit, and thereafter, the Board of Directors, may amend the provisions of this Article, to the extent that it deems it necessary or appropriate, without the approval of the Owners, in order to comply with the exemption requirements under the Fair Housing Acts or any regulations now or hereafter issued therefor, as they may be amended from time to time, with respect to “housing for older persons.”

Section 7. Removal of Age Restriction from Declaration. So long as Declarant has any ownership interest in any Living Unit, Declarant shall have the right to remove from the operation of this Declaration the age restrictions for occupancy for persons fifty-five (55) years of age or older. Declarant shall signify this removal by filing an amendment to this Declaration with the County Recorder. No approval of the Association, Owners, or any other person shall be necessary.

IN WITNESS WHEREOF, Declarant has caused this Declaration to be executed as of the date first above written.
