

LAND FOR SALE

LISTING #14684

PRICE: \$129,900

DESCRIPTION: Peoples Company is pleased to offer this exceptional building site just South of Indianola, Iowa. This executive style acreage is within a few short miles of Lake Ahquabi State Park. The entirety of the property is accessible by gravel entry off of 90th Avenue. Enjoy the convenience and access of newly paved Nevada Street, just a short distance from the property. Rural water is located at the road in addition to the electric that is already on site, atop the driveway. Multiple building site locations are provided, overlooking the countryside in all directions. This property gives the opportunity to hunt whitetail deer on the far East end of the property. No covenants allow the opportunity to build the home you so desire!

Please contact Peoples Company agents John Hutchcroft or Jake Sickels for further details regarding this opportunity.
