Releases and Modifications or Amendments

Sec. 3.1: The covenants, restrictions and agreements herein set forth may be released in whole or in part or otherwise modified or amended by the vote of the owners of not less than 60% of all the lots (as defined and permitted by Sec. 1.1(f) in the Addition and evidenced by their consents in writing, duly signed and acknowledged, provided no change shall be effective unless the 60% majority shall include the consent(s) of at least 50% of the owners of lots upon which dwellings have already been constructed. Such exceptions do not apply and are not required in the event of exceptions or modifications made as to a particular lot, made by the developer of Hawks Point Sixth Addition in the City of Cedar Rapids, Iowa when acting or granting approval as authorized by Sec. 2.15, Sec. 2.17, Sec. 2.19 or otherwise herein.

Article 4

Easements

Sec. 4.1: The utility (including sewer) and drainage easements are reserved perpetually as set forth on the recorded plats of Hawks Point Sixth Addition in the City of Cedar Rapids, Iowa.

Article 5

Covenants Run with Land and Purpose; Severable; Status

Sec. 5.1: The covenants, restrictions, and agreements herein contained shall run with the land and shall be binding on all parties hereto and all persons claiming under them as herein set forth or as may be modified or amended as herein authorized until January 1, 2025, at which time said covenants, restrictions, and agreements shall be extended automatically for a period of 10 years unless by vote of the owners of the residential lots in said addition now constituting Lots 1 to 20 inclusive, it is agreed to terminate or change said covenants in whole or in part. The owner(s) of any lot may initiate and circulate such vote, which vote, however, in order to so terminate or change shall not be effective unless evidenced in writing in recordable form and placed of record, and the covenants, restrictions, and agreements shall be deemed extended unless such writing in recordable form to the contrary is placed of record prior to January 1, 2025. Any decision to terminate or change under this Section and the vote herein contemplated must be initiated and concluded within not less than 60 days prior to January 1, 2025. Unless the covenants, restrictions, and agreements are wholly terminated as of January 1, 2025, they shall in like manner be subject to automatic extension, termination or change each 10 years

thereafter. The required vote and consents of both 60% and 50% as applicable and the number of votes to be cast by each owner in order to effect a change or termination under this Article and the determination of the number of lots and votes for such purposes shall be exactly the same as set forth in Sec. 3.1.

Each and all of the provisions of all the 5 Articles of this instrument and of each article and section shall be severable and the invalidity of any one shall not affect the others.

Sec. 5.2: The purpose and intent of this instrument and of said restrictions, covenants, and agreements is to secure an attractive, reasonably harmonious overall residential development of good quality and continuing appeal which will benefit all lots and homes in the addition, and this instrument shall be construed in that light. The basis for the discretionary judgment and authority committed to the developer is in recognition of the sometimes unique, unusual and varying terrain of the lots in the Addition and the varying and sometimes irregular shape and topography thereof, it being noted no authority is given for discretionary modification of any use restriction.

Sec. 5.3 In event in any action to enforce these Covenants, if the party seeking enforcement incurs attorneys' fees, costs and expenses in connection with such action, and in such enforcing action prevails, in addition to the judgment or other relief granted, such party shall be entitled to a personal judgment for reasonable attorneys' fees, costs and expenses incurred against the Lot Owner against whom the enforcement action has been undertaken. In the event in such action the Lot Owner prevails and it is determined by the Court that there is no judgment of any kind or nature against the Lot Owner and no relief is granted against the Lot Owner, the Lot Owner shall be entitled to a judgment against the person which commenced the action for reasonable attorneys' fees, costs and expenses incurred by the Lot Owner. It is recognized that depending on the nature of the action and the defenses asserted, attorneys' fees, costs and expenses may far exceed the amount involved. Nevertheless, it is a provision of the Covenants that reasonable fees, costs and expenses shall be awarded in accordance with the provisions set forth above.

In witness whereof, the undersigned owner has caused this instrument to be duly executed and dated this 27 day of April, 2015.
