Stunning updated RANCH home with finished lower level! Great room boasts vaulted ceiling and gas fireplace. Feel right at home in this kitchen with granite countertops, new faucet, new subway tile backsplash, SS appliances (most new), and white cabinetry. Vaulted master bedroom with remodeled bathroom including grey cabinets, heated tile floor, tile shower w/ glass doors, and walk in closet. Lots of extra space in the finished lower level

family room with tiled area for bar (also bedroom and bathroom are stubbed and ready for you to finish). Other features: ample recessed lighting, newer carpet, the whole house is freshly painted, trim is painted white, new stylish lighting fixtures and fans, large deck (partially covered) and stone patio, fenced landscaped yard, lots of storage, laundry room w/ new shelving and washer/dryer stay, and much more!
